## ***2010 Statewide Forest Strategy***

- 1.) Conserve, manage and protect existing forests, especially large forest patches***
- 2.) Restore and connect forests, especially in riparian areas***
- 3.) Expand Best Management Practices, with special attention to invasive species***
- 4.) Coordinate education, training, and technical assistance, especially to develop strategic partnerships with land-use decision makers***
- 5.) Maintain and expand markets for Indiana hardwoods, especially those that are sustainably certified and for local use***
